

Thank you so much to everyone that came out for our Spring Musical Concert Collaboration. We hope that you continue to audition for us in the future. You all were fantastic, and we had to make some very tough decisions. This musical has unique casting attributes due to COVID guidelines, the necessities of the choir, and limited stage space. For this reason, some of you will be receiving an email that clearly defines the parameters of the part you have been given. As always, feel free to reach out to Mr. Ushino or Mrs. Graff if you have any questions, or if you would like to get involved in the production behind the scenes- we'd love to have you!

For students cast in the production, please confirm your involvement by emailing Mrs. Graff at clgraff@capousd.org by Monday March 1st.

*** Please double and TRIPLE check that you can make all of the rehearsals before responding and committing to this experience. We are only meeting 1 time to stage each scene- so it is imperative that all of our cast is available at each rehearsal. (Mrs. Graff has already checked through your conflicts as they stand on your audition forms)***

Our required table read will be on March 8th from 3pm-7pm.

Thank you so much,

Mrs. Ushino, Mrs. Graff, Mr. McElroy
