

Radium Girls

Technical Running Crew

Thank you all for applying! We were able to staff everyone who applied, but that does mean some people were offered their 3rd or 4th choice. Do know, we will take your 1st choice into consideration for the next show we cast and make sure we can get you experience in that area. We are happy to have you all involved! Please expect an Email to your PERSONAL Email from your crew head or designer further explaining your particular crew's expectations for this production- within the next week.
